

Great Lakes Automation Supply Linecard

Your Industrial Automation Solutions Provider

Sensors & Safety

Machine Vision

Pushbuttons & Indication

Variable Speed Drives

PLC & HMIs

Enclosures

www.GLASupply.com

ABB - Industrial Control Components, Pilot Devices, Drives, Disconnects, Circuit Breakers, Motors

Alpha Wire - Heat Shrink, Control Cable, Shielded Cable, Ribbon Cable, Co-Ax Cable, Connectors

Axiomtek - Industrial Computers, Industrial Workstations, Flatscreen Monitors

Banner Engineering - Photoelectric Switches, Vision Systems & Safety Products such as Light Curtains, Safety Relays & Safety Interlock Switches, Safety Controllers, Wireless Sensor Systems, Light Stacks, and Indicators

Bircher - Safety Mats, Safety Door Openers, Safety Forklift Traffic

Eaton - Industrial Control Components, Pilot Devices, Circuit Breakers, Operator Interface, Drives & PLC

Epic/Contact - Industrial Electrical Connectors & Accessories

Entelec/ABB - Terminal Blocks, Industrial I/O, Signal Conditioners, Power Supplies

Fluke - Portable Oscilloscopes, Calibrators & Power Quality Analyzers

GE Proficy - Supervisory Software Systems

GE Intelligent Platforms - Micro, Medium & Large PLC's, Software, VME Systems, Operator Interfaces, Genius I/O Systems, Field Control, Distributed I/O, Versa Max I/O, Motion Control, LED Message Displays, CRT & Flatscreen Operator Interfaces, Industrial Computers & Workstations

GE Industrial Control - Industrial Control Devices, Push Buttons, Starters, Pilot Devices

GE Motors/Drives - AC & DC Motors, Drives & Drive Systems

GE Motion Systems - Single & Multi-Axis Servo Systems, Motors and Amplifiers, PowerMate Series Motion, CNCs

Grace Engineered Products - Interface Solutions, Remote Access Ports

Harting - Industrial Electrical Connectors

IDEC - Relays, Power Supplies, PLCs, Pilot Devices, Industrial Control

Littelfuse - "Indicator" Fusing, Fuse Blocks, Electronic Fusing, Semi-Conductor Fusing, Distribution Blocks

Micro Switch - Industrial Controls, Safety Products, Limit Switches

MTS/Temposonics - Precision Linear Actuators

N-Tron - Ethernet Gateway Switches, Networking Components

Olflex - Specialty Wire & Cable, Robotics & Servo Cable, Flexible Control Cable, Cord Grips, Conduit, Cable Track

Pepperl & Fuchs - Proximity and Photoelectric Sensors, Intrinsic Safety Sensors and Components, Level Control, Bar Code, Linear Transducers, Cordsets, ASi Safety

Puls - Power Supplies, Din Rail Power Supplies, Green technology

Red Lion - Timers, Counters, Panel Meters, Operator & Flatscreen Interface, Message Displays, Temperature Controllers, Feedback Devices, Voltage & Current Monitors

Rittal - Enclosures, O/I Enclosures, Swing Arm Systems, Climate Control Products, Ergonomic Workstations

Thomas & Betts - Sta-Con Connectors, Shrink Tubing, Spiral Wrap, Taylor Panel Duct, E-Z Code Wire Marking

Turck - Proximity Sensors, Intrinsically Safe Sensors, Cables, Relays, Level Control, Timers, Counters, Cordsets, RFID Systems, Linear Transducers, Encoder-Resolvers

Wiegmann - Junction Boxes, Pushbutton Enclosures, Wallmount Enclosures, Freestanding Enclosures, Disconnect Enclosures, Operator Interface Enclosures, Wireway

Current & Voltage Monitors

- Control Concepts
- CR Magnetics
- Red Lion
- SSAC
- TimeMark

Data Ports

- Grace

Data Acquisition

- GE Intelligent Platforms
- N-Tron
- Western Reserve

Distributed I/O

- GE Intelligent Platforms
- SSAC
- Turck
- Western Reserve

Drives

AC Servo

- GE Intelligent Platforms

AC Vector

- GE Drives
- ABB

AC VFD

- ABB
- AC Tech
- Eaton
- GE Drives

DC

- ABB
- GE Drives
- Dart

Enclosures

- Rittal
- Wiegmann

Ergonomic Workstations

- Rittal
- Wiegmann

Feedback Devices

- Encoder Products
- MTS Temposonics
- Red Lion
- Turck
- Turck/Kubler

ID Products

- Pepperl+Fuchs ID
- Turck

Industrial Computers

- Axiomtek
- Eaton
- GE Intelligent Platforms

Industrial Control

- ABB
- Eaton
- Fuji
- General Electric
- Idec

Level, Pressure, Flow

- Banner
- Honeywell
- MTS Temposonics
- Turck

Machine Guarding

- Banner
- Paletti

Message Displays

- Eaton
- GE Intelligent Platforms
- IDEC
- Red Lion

Motion Controls

Absolute Position

- GE Intelligent Platforms

Single & Multi Axis

- AC Tech
- GE Intelligent Platforms

Gear Reducers

- Alpha
- Stober

Mechanical Slides

- Paletti

Motors

- ABB
- Baldor
- GE Motors
- Lincoln Electric
- Marathon

Operator Interface

- Eaton
- GE Intelligent Platforms
- Idec
- Red Lion

Power Supplies

- ABB/Entelec
- IDEC
- International Power
- PULS

Programmable Controllers

- ABB
- Eaton
- GE Intelligent Platforms
- IDEC

Relays

- ABB
- General Electric
- IDEC
- Potter & Brumfield
- Turck

Safety Products

Anti-Tie Down Relay

- Banner (Level 4)
- Time Mark

Gate Switches

- Banner
- Micro Switch

Light Screens

Our Technical Services Group provides:

- Application solutions for PLC, Motion, and HMI products, and Sensor & Vision system evaluation and recommendations
- Assistance with programming and application questions
- Training and support for all of your software and hardware needs

Great Lakes Automation Supply Locations

Battle Creek, MI 49037
